

Early Bird Tours

Early Bird tours to the Upper Cliff Dwelling are offered in October and May on Saturdays only. Early Bird tours will leave at 8:00 am and may be slightly shorter in duration due to the heat. All tours are limited to 15 people and reservations are required.

Persons planning to take the hike should be in good physical condition. Be prepared for variable weather conditions and bring water, sturdy shoes, sunscreen, and a hat. The unpaved 1 ½ mile trail is moderate to steep, with an elevation gain of 600 feet. The average tour length is 3-3 1/2 hours. Pets are not allowed on the Upper Cliff Dwelling trail and cannot be left in your vehicle. Please leave your pets at home.

The park entrance fee is \$3.00 per adult; children aged 15 and under are free. The National Parks Pass, Golden Eagle, Golden Age, and Golden Access Passports are also accepted. There is no extra fee for the tour.
